

COLLAB22

The Collab22 is an inspiring co-creation space for your next meet-up, creative workshop or team event.

Our Collab22 space offers:

- Ideal workshop environment for up to 14 people – or inspiring space for holding your events with up to 30 participants.
- Equipped with tables, chairs, flip charts, writing material, post-its and prototyping material, further material on request.
- Self-service bar incl. coffee machine, fridge, etc.
- Tech: 1 large monitor with Apple TV, loudspeaker and WiFi.
- By public transportation: Bus 161 or 165 from Bürkliplatz to Stadtgrenze
- By car: Guest parking available in front of the building.

And let us take care of the individual set-up, catering and special requests.

Two options:

1 Space rental only:

- Fixed flat fee of CHF 250.- for half a day (max. 4h) or evening. Full day flat fee of CHF 500.- (max. 8h).
- Maximum number of participants for theater seating: 30 people.
- Maximum number of participants for workshop setup: 14 people.

2 Space rental + WeCoCo promotion:

- Space rental conditions as listed above.
- Three promotion packages available as listed in the WeCoCo Medikit24 with a 10% discount in combination with a space rental.

Further services and conditions:

Catering:

- Catering costs depend on the number of participants; individually quoted and provided by our partner [James Jar & Co.](#)

Cancellation terms:

- Cancellation of the event from 2 working days before the event: 100% of the space rental and full amount of the promotion costs.
- From 2 weeks to 3 working days before the event: 50% of the space rental and full amount of the promotion costs.

**INSPIRATION AND FOCUS GUARANTEED.
LET'S MAKE SPACE FOR THE NEXT EVENT!**

We Connect, We Collaborate

WeCoCo is a community driven platform made by women for everyone because diversity rocks. We connect disruptors, action takers and game changers to foster innovation. WeCoCo is a catalyst for change to co-create a more inclusive future which includes more women in innovation, entrepreneurship and leadership.

Why collaborating with WeCoCo – a community-led influencer?

Influencers with a community-driven approach have a strong online presence and can help amplify your brand's visibility through credibility, targeted reach and high engagement. This increased visibility can lead to a broader audience discovering and engaging with your brand. Powered by collaboration, we achieve more!
